WHAT
WE'RE
ABOUT

THE CAMPUS CHURCH

The Campus Church cares about one thing more than anything else: Sharing the love and hope that's found in Jesus Christ. We are a family that have found hope in Jesus, and simply want as many people in our community as possible to experience that same freedom, hope and unconditional love.

CAMPUS YOUNG ADULTS

Campus Young Adults is the ministry of our church dedicated to carrying that message of freedom, hope and unconditional love to adults aged 18-29. Our vision is to create a community that draws young adults to meet Christ as Saviour; to learn from Him as a teacher; follow Him as our Lord, and live for Him with purpose.

DISCIPLESHIP PATH

At Campus Young Adults we're committed to a 4 Chair Discipleship Path. We have codified this churchwide as something we call "The 4 E's". We want to provide opportunities for people to:

01

Explore who Jesus is and accept Him as Saviour.

02

Encounter Jesus as Lord of their life and live a life in submission to Him.

03

Engage with Jesus in mission and participate actively in the missional call Jesus has extended to the whole Church.

04

Expand our influence for the gospel by raising up leaders to multiply our impact across York Region and beyond.

For additional reading on our discipleship model, please see our church document "The Way Forward" and "4 Chair Discipling" by Dann Spader.

WHAT
WE'RE
ABOUT

VALUES

All of our programs are driven by a desire to meet Young Adults in each "Chair" along the Discipleship Path. The Campus Church has core values laid out in "The Way Forward" document that are just as important to us. We also wanted to highlight these 4 as being critical to our vision.

A

Biblically Based Teaching: (Luke 22:44-47, 2 Tim. 3:16)

All our teaching must be based in scripture. All scripture is God breathed, and is as a result the only infallible source of truth we have as an authority in our lives. The entirety of the scriptures, from creation, through the fall and into God's redemptive work can be summarized in the message of the Gospel. A perfect, loving and powerful God, sent His only son Jesus Christ to die a death that we deserved, to be raised to life and to be seated at the right hand of the father, and through that save a rebellious world. By faith and repentance we gain righteousness, not through any work of our flesh. All teaching must come back to this truth.

B

Connection: (John 13:35, Eph. 4:29-32)

Relationships throughout the young adults years are critical. Both between peers as well as with leadership. We emphasize this through intentional connection times with the goal that every young adult is in community with their small group.

C

Celebration, Large & Small: (Heb. 10:24-25, Acts 2:42-47)

We believe in doing both large and small gatherings well. In a larger group setting we gather as the church. We create opportunities for invitation and evangelism, as well as a framework where relationships can grow. This often takes the form of worship services, retreats, or community building events. We also believe that smaller gatherings are essential as well. Small Groups offer the opportunity to "do life" with a trusted and committed group of peers where honest discussion, focused times of prayer, engagement with God's Word, and intentional care in times of need can happen.

D

Prayer: (Phil. 4:6-7, 1 Thess. 5:17)

Prayer must constantly be at the heart of our ministry. Apart from the power of God, we cannot hope to achieve anything. Prayer is our lifeline, and the way we communicate with our Heavenly Father. Without prayer, what success can we hope to have?

WHAT
WE'RE
ABOUT

WHAT WE DO

Hopefully you understand why we do what we do, but here are all the details on our programs to help us reach that vision!

01

Monthly Community Night

Once a month we host a Community Night either at our Bathurst location, or occasionally somewhere else in York. No worship, no teaching, just a great opportunity to connect as a group, have some good coffee, food, and fun. We often host Volleyball in our Gym as well as have our Café open upstairs.

02

Monthly Large Gathering Worship Night

Once a month we gather as a whole community for a service. We have a time of worship, teaching, and community. Our long term goal is to partner with multiple churches and ministries from all across York Region.

03

Bi-Weekly Small Groups

Twice a month, our small groups meet either in homes or at the Bathurst site. Small groups are hosted and lead by a Young Adult who is part of our Small Group Leaders Team. Leaders get equipped and resourced to lead their group. Small groups are your opportunity to get connected and grow in your faith and with the community. Together they celebrate the great moments in life and provide care and support through the tough times.

04

Leadership Development & Training

Small Group Leaders meet bi-annually for launch and celebration events. Additionally Small Group Leaders receive regular coaching and support from the Young Adults Pastor & the Young Adult Ministry Team.

For those looking to be directly involved in supporting Campus Young Adults, the Young Adult Ministry Team meets monthly to pray, plan and implement vision across all our programs. They receive additional discipling and mentorship as they lead the community.
